WDCA Commercial Vehicle Access Rules and Regulations

1. **Decals are not transferable and may not be moved from one vehicle to another.** Decals and passes are issued for specific vehicles. Expiration dates (month/year) and the license tag are written directly on the decal. Annual decals expire on the last day of the month. It is your responsibility to renew before the decal expires.
2. WDCA Security tracks vehicles by license tag and decal/pass number and monitors commercial vehicles to ensure compliance with rules and regulations.
 - If you **sell a vehicle or replace a windshield** on a vehicle for which a decal was issued, the decal (or its parts) must be returned to WDCA office for replacement; we will not accept a photo of the old decal. A new replacement decal will cost \$50 if the old one is not returned.
 - **Replacement decals will only be issued to vehicles once a year at no charge.** Vehicles needing more than one replacement will be subject to a \$50 charge, regardless of whether or not the old decal is returned.
3. Violations of any WDCA rules, regulations, policies, procedures or violations of any federal, state, county or municipal law may result in decal/pass revocation.
 - Failure to follow the rules and regulations may result in decals being confiscated by the security attendant.
 - Decals improperly displayed or applied may also be confiscated.
 - Confiscated decals may be replaced only once at the annual cost of the decal.
4. **Daily Fees at the Palm Gate**
 - Vehicles without decals will be charged the regular daily access rate:
 - A. \$20 for 4-wheel vehicles
 - B. \$40 for 6-wheel vehicles
 - C. \$60 for 6+ wheel vehicles
 - The daily access fee for vehicles without decals will be charged **regardless** of whether or not you have decals on other vehicles.
5. **Commercial Hours:** Access through the Palm Gate is restricted to the hours of 7:00 AM to 6:00 PM Monday through Saturday.
 - Monday through Friday, noisy construction work may not begin until 7:30 AM
 - Saturdays may only occur between the hours of 9:00 AM and 4:00 PM
 - Special permission from the WDCA Community Property Manager or COO is needed for 24-hour, Sunday and holiday work.
6. Commercial vehicles must travel to and from the job site via the most direct route from the Palm Gate.
 - Access to Wild Dunes is limited to the place(s) you work and the hours specified on this application.
 - A commercial decal does not allow access to Wild Dunes on days you do not work, nor does it permit you to be in Wild Dunes after authorized hours or after your work contract is complete.
7. Parking is prohibited in posted areas and on WDCA common properties, including but not limited to roadways, road shoulders, cul-de-sac islands and bike paths.
 - Vehicles must park on the properties where the work is taking place. If this is not possible, please park single file on one side of the road pavement and advise Security at 843-886-2128.
 - Vehicles are subject to towing at the owner's expense.
8. The speed limit is 25 miles per hour, unless otherwise posted. Infractions will result in the issuance of speeding tickets and/or forfeiture of decal and pass privileges.
9. Children and pets are not allowed on the work sites.
10. Weapons are prohibited. Weapons include, but are not limited to:
 - Rifles, shotguns, pistols,
 - Knives with blades over three (3) inches,
 - Blackjacks or any other devices which are intended to inflict bodily injury.
 - Other prohibited items include alcoholic beverages, illegal drugs, explosives and stolen property.
